## 2022 CIRRUS SR20 TO BE FEATURED AT OPEN HOUSE

SHREVEPORT, LA (October 4, 2022) Downhour Aviation invites the public to view a 2022 Cirrus SR20 on Saturday, November 12, 2022 from 10 a.m. - 4 p.m. The open house will take place at Tubreaux Aviation's FBO located at the Downtown Airport at 1550 Airport Dr. in Shreveport.

They are adding this aircraft to their fleet which features a parachute and state-of-the-art avionics. The plane will be hangared at Tubreaux Aviation at the Downtown Airport in Shreveport, LA, where it can be leased for business, pleasure, and flight training. Tubreaux employs CSIP (Cirrus Standardized Instructor Pilot) instructors and will schedule a time to meet with potential customers for a free consultation. Their phone number is 318-510-4330. No money down is required for lessons, and flight training financing can be acquired through Citizens National Bank. The plane is available for use in the Arklatex/Arklamiss areas.

A drawing will be held to give away a free discovery flight, as well as various aviation equipment and accessories. Many prizes will be handed out, also. Refreshments will be served, and an instructor will be on hand to explain the flight training process.

Come and join the celebration of Downhour Aviation's newest aircraft at the November open house.
